Tyrek Brunson

Age 34
Location England
Education music theory
Occupation musician

Bio
Emily Moore was born and raised in a small town in the Midwest. From a young age, she showed a natural talent for music, playing the piano and singing in her church choir. As she grew older, Emily became more involved in music and started performing at local events and competitions.

"Success is not final, and failure is not fatal; it's the courage to continue that counts." - Emily Moore.

Goals

To maintain a healthy work-life balance and continue enjoying her hobbies and interests outside of work.

Frustration

Struggling with health issues or facing a serious illness.

Personal Traits

Values

Continuously learning and growing as a person, both personally and professionally.

Aspirations

Eat a balanced and nutritious diet.

Clyde Buckingham

age: 67
residence: Frankfort, KY
education: Bachelors Degree in Agriculture Science
occupation: Retired Agricultural Engineer
marital status: Married with kids

"I put my pants on one leg at a time, just like the rest of y'all"

Clyde enjoys going on walks to get him up and out of the house. In his free time, he takes care of his grandchildren, so he hasn't had the time to fully understand how technology works, but loves to play word puzzles and games on his phone.

Criteria For Success:

Clyde prefers his life to be simplified and easily accessible. He strives for happiness, comfort, and relaxation both alone and with others.

Needs

- A dietary plan to avoid health risks with his type 1 diabetes
- Reminders to be productive
- A way to maintain weight loss

Wants

- A more relaxed and refreshed feeling
- The power of choice
- Personalization

Values

- Connecting with nature
- Meditation

Fears

- Missing medication or taking too much of it because he forgot that he took it earlier
- Not keeping up with his strict diet

Julia Greene

age: 26

residence: Baltimore, MD

education: Bachelors Degree in Human Resources

occupation: HR Team at Microsoft

marital status: Married with a kid

"Even if life seems to throw too much at you, do not give up"

Julia has always had a passion for working out, and especially loves running and going on hikes. Julia recently gave birth to her child, Samantha, and spends the day caring for her as she is currently on maternity leave. Her husband, Greg, is in the military and is overseas, so Julia usually spends the day caring for Samantha and running errands.

Criteria For Success:

Julia feels overwhelmed, and would love to have a simple application that keeps track of her general health and well-being

Needs

- To take care of both herself and her child
- A mild workout plan that will help Julia get active again
- Easy and healthy meals to prepare for her and her child

Wants

- To get back into shape
- Improve her mental health
- To be more organized and driven

Values

- Nature-lover
- Being one's true self

Fears

- That her mental health is plummeting after having her child
- That her job will let her go if she does not return to work shortly
- She cannot take care of Samantha on her own
